THE HOME ROOM PROGRAM

In East High we have started a series of planned home room programs. The former efforts of each of about thirty groups in building suitable programs had various limitations, such as time and proper preparation. The idea of a class group meeting together at the opening of the school day is not new. However, in East High we are pioneering in a new field of unit planned programs under the direction of a committee of faculty and students.

The theme chosen for this year was: "Living and Working Together in a Democracy." Planned discussions built around this idea included such subjects as: What goals shall we strive for?, How shall we make our occupational choice?, It's smart to be careful, How to read and interpret the news, and Our social relationships or manners of conduct. The series has for its purposes the development of:

1. Better home, school, and community spirit.
2. Love and loyalty to American institutions and ideals.
3. Ability to interpret propaganda all around us.
4. Sound and correct habits of conduct.
5. Wise and proper choices of life work.

The language is more than an instrument of thought and expression—it is a tool of progress used to train the individual in right habits of conduct, attitudes of fair play, and skills that will make him useful to the society of which he is a part.

Without purpose and ambition we cannot expect to advance. A policy of drift and indifference is as fatal to a nation as to an individual. We tend to become what we will to become, what we sacrifice for, and what we work toward.

We do not presume that these discussions have settled all the questions in your mind. If these projects do not stimulate further discussion (supported by reading) in the group, at home, or in the classroom we have failed in our purpose. By this method we have hoped to open new avenues of thinking and patterns of conduct. Group analysis is sometimes elementary and slow, but it is still a democratic way of attacking the problems of social living. This business of living a life and playing our part well is a continuous process—this is a real challenge to youth living in a troubled and confused world.

H. A. Lewis.

Convention of the Federation of Student Councils of Central States

SIOUX CITY DELEGATES

CONVENTION OFFICERS

STUDENT COUNCIL CONVENTION

President of East High's Student Council, Patricia Paul, "covered herself with glory" as president of the 13th Annual Meeting of the Federation of Student Councils of the Central States held at Omaha, Nebraska, October 18th and 19th. Originally scheduled for East High, the convention was moved to Omaha Central because an infantile paralysis scare threatened the attendance.

Having worked hard for over a year raising money and preparing for the convention, Eastites were naturally disappointed, but under the capable management of Mr. Sletwold, East student council advisor, and President Pat Paul, fourteen delegates: Joe Mazur, Mary Carey, Dale Jackson, Karalyn Keller, Don Rhoades, Mary Wood, Victor Ferris, Arlene Rasmussen, John Roe, Mary Ann Hunter, Joe Burkle, Bill Nourse, and Darrel Warner journeyed to Omaha to attend the convention.

Mr. Schmitt

The convention theme "We Live" was carried out by the speakers, Mr. Fred Dixon, of Columbia, Missouri; Dr. Lancaster, of Ottumwa, Iowa, and Mr. John Schmidt, of Sioux City, Iowa, who spoke on the topics, "We Live—How," "We Live—If," "We Live—Why," and "We Live—When," respectively.

The 500 delegates participated in diversified programs, state meetings, business meetings, and various discussion groups concerning the aims, objectives, and problems of the Student Councils.

A few of the social pleasures included a tour of Joselyn Memorial, a trip to Boy's Town, and a special banquet and dance. None of the delegates will ever forget the persistent heckling which finally compelled Mr. Arnold to appear on the dance floor with Pat Paul, much to the delight of all the Eastites.

Karalyn Keller.

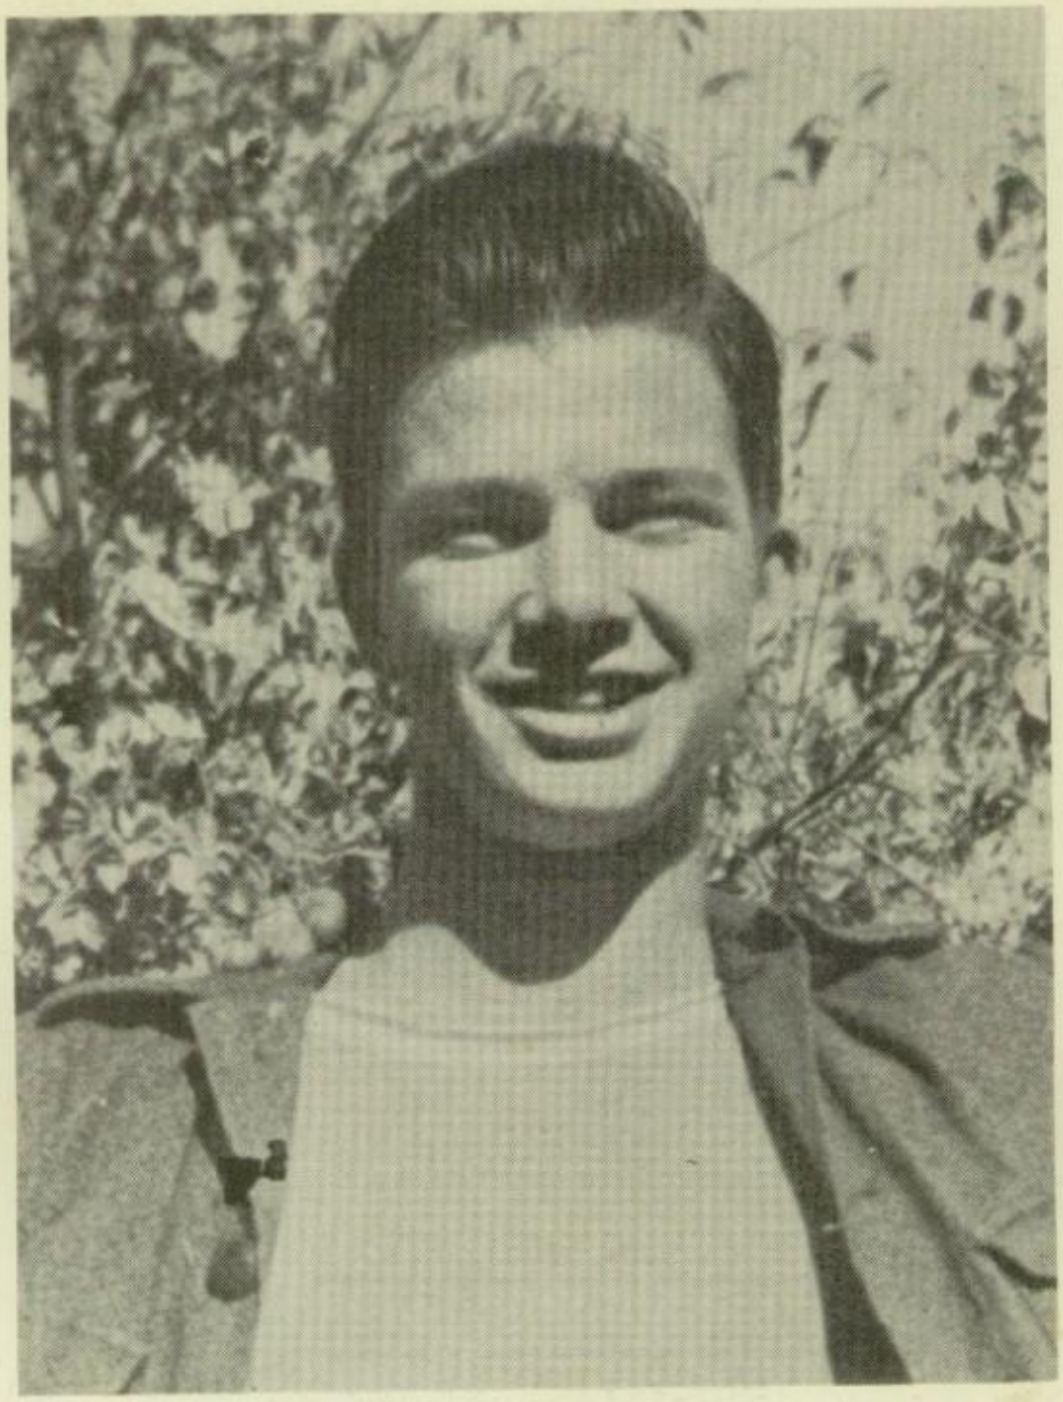
ATHLETICS

In Memoriam



Honoring the memory of George Brown, who was their school chum, an all-around athlete, and a dependable pal, the students of East High School feel a personal loss in his death. George, better known by all his friends as "Shorty," was the ideal American boy during the sixteen years he spent with them.

Shorty accomplished another feat, also, through his genuine jolly spirit. For he has left instilled in the hearts of all who knew him a feeling of good sportsmanship, helpfulness, and love for others.

Although he may be gone, his class mates of the class of 1941 will always feel that Shorty is really not gone forever, but is just away.

L. H. DAVIS

The 1940 football season was one of the unusual seasons a school will have every ten or fifteen years. About everything happened during the season and the team had many unfortunate interruptions. It is to the credit of all those in our school and community who make up a team that, almost to a man, they worked together until the end of the season and played Central's great team one of its hardest games.

Such a season as this is a fine test of the real qualities of a school and the coming seasons will be more enjoyable, knowing that we are all "united together" regardless of the number of games won or lost.

L. H. Davis.

V. ALDRICH

This season's football record does not look good on paper, but it showed that the student body and the team had the real fighting spirit that is usually shown by an East High student body. There were many times when it looked like the season would have to stop because of injuries and sickness; but, because of the determination and fighting spirit of the team and the coaches to carry on, the season was completed and I don't think there was anybody ashamed of the way the season turned out.

Vincent Aldrich.

M. S. DELZELL

Some one has said that if a healthy condition is to be maintained in athletics, a team shouldn't win too much, neither should it lose too much. The past year has done much to make our situation here at East High a more healthy one. We have been subjected to some real tests. Circumstances have intervened to make it a year of many uncertainties. However, I believe our teams will be stronger in the future for having experienced a year like this past one.

Basketball at East High made a new "low" this year, as far as games won are concerned. In spite of this fact, the spirit and morale of the squad was exceptionally high. This can be attested to by the way the team rose up from the role of an underdog and played the part of a champion to win the inter-city game. It is seasons with incidents like this that makes athletics worthwhile and interesting.

M. Delzell.

EAST—14 MARSHALL HIGH, MINNEAPOLIS—0

In their opening game of the season, a powerful East High eleven very effectively defeated the fiery aggregation from Marshall High of Minneapolis, Minnesota, 14 to 0, before a record-breaking early season crowd of some 3,500 people.

Aldrich and Wright scored East's markers.

EAST—40 VERMILLION—0

East High ran wild, winning their 26th straight game in a riotous victory over a comparatively weak Vermillion eleven. Many of the rough spots that showed themselves in last week's game were ironed out, while every member of the squad saw action.

EAST—6 CENTRAL—13

East High, rated a very poor underdog, was behind 13 to 0 at half-time in a hard fought battle on the muddy Stock Yards gridiron, but showed their spirit by coming back and ending the game at 13-7. Wright made the East tally on a plunge.

East High breezed through the Sectional Tournament held at Kingsley by winning the opening game with Correctionville, 34-27. The second game with the score ending 31-12. In the finals the Raiders ran wild, defeating Kingsley, 44-17.

Meeting Central in the District Tournament, the Raiders lacked the accuracy and spirit which had given them the city title.

East was leading during the first quarter, but lost their lead in the second quarter and failed to regain it. A sudden Raider splurge in the closing minutes failed and East lost, 27-20.

BAND

We are rightfully proud of our orange and black clad band. Not only does it keep up spirit at football games, but it plays in pep-assemblies and homecoming parades as well. Directing the band, Douglas Reeder displays his fine musical skill.

This year, as a result of the initiative of Dick Wagstaff, a member of the band, a pep squad band was organized to play at basketball games. This new feature met with the approval of all attendants of the basketball games.

A striking contrast was achieved for drum majors when Don Dolphin, 3'11", was chosen to march down the football field with Joe Burkle, 5'11", preceding the band.

H. M. S. PINAFORE

On these three pages you will find pictures of the operas of the past three years. The four boys whose pictures also appear on these pages have had leads in at least two of the operas. These boys also took part in the one-act opera, "Trial By Jury."

John Roe has had a lead in all the operas presented during the last three years. In the opera H. M. S. Pinafore he played the part of Ralph Rackstraw. As Grenicheux in the Chimes of Normandy, he once more did a fine job, and as Richard in the opera Ruddigore, he put a brilliant finish on an outstanding high school musical career. In addition to this, he won a superior rating in the National Music Contest of 1940, was a member of the male quintette and added inestimably to the morale of the music department in general.

CHIMES OF NORMANDY

Gus Lease has given of his time and ability to help improve the music department. He has had a leading part in the past three operas. As a tenth grader he had the part of the Right Honorable Sir Joseph Porter K. C. B.—First Lord of the Admiralty in the opera H. M. S. Pinafore. The second year he played the part of Henri in the Chimes of Normandy. This year, as a senior, he climaxed his musical activities at East High with the portrayal of the character Robin in the opera Ruddigore. Gus was also a member of the male quintette, and was ranked Division II in the State Music Contest of 1940. He did a great deal of solo work and we will remember especially his beautiful solo work in the Ballad for Americans.

Jim Easley was not only a good musician but also possessed great dramatic ability. In the operas of the past three years he played character parts: Dick Deadeye in H. M. S. Pinafore, Gaspard in the Chimes of Normandy, and Despard in this last opera, Ruddigore. We will not soon forget his almost professional performance in the opera, The Chimes of Normandy, for his ability has made a lasting mark which cannot easily be erased. He was also a member of the male quintette.

Gordon Rhodes has had leads in the operas of the last two years. He played the part of Bailli in the Chimes of Normandy and Old Adam in the opera Ruddigore. He was perhaps one of the most able business managers the choir has ever had, for he was willing to work long and hard until the necessary work was done. He was also a member of the male quintette.

"Unity of the Americas" was the theme of the mid-year Commencement exercises. The program was divided into the units of "Peace," "Commerce," and "Friendship." Peace reigns today in the Western Hemisphere because our nations have liberated themselves from fear. The Americas are the youngest of nations. They have inherited all that went before in history. They symbolize all that is to come in the future. The Male Quintette, Senior Chorus, and Girls' Chorus, all organizations composed of members of this class, furnished appropriate music.

East High

Editors in Chief

view a year of progress, main event of which has been metamorphosis of the six-page project from dream to reality. Left to right they are, Bill Nourse, first semester editor; Don Rhoades, twice associate editor, and Corrine Olson, second semester editor. These three decided what went into your '40-'41 "Tomahawks." They set the standards, developed new policies——

Department Editors

Left to right, seated, are Kay Keller, twice makeup editor; Mary Mudge, twice news editor, and Joe Macur, second semester feature editor. Lu Verne Jacobs and Bill Binger, first semester business manager and ad solicitor, stand with Don Richardson, twice sports editor.

Editors made assignments, supervised writing, carried out policies. Binger and Jacobs, with their advertising, made possible the six-page venture.

The "Underdogs"

Underdogs, indeed, but not in an expression of contempt. Two of these girls, Eunice Gilgen and Bernice Murphy, have typed "Tomahawk" copy for two semesters. Standing are Reporters Marjory Ross and Colleen Lee Connell, each with two semesters' service.

Tomahawk

"Dummy Day"

keeps the staff busy till 6:30 p. m.! Yellow strips of column and headline proof, pasted on a rough-drawn layout, tell printers where to set stories. National Scholastic Press Association has regularly rated "Tomahawk" makeup "very good."

Here, clipping proof, are, left to right: standing, Don Rhoades, Bill Nourse; seated, Kay Keller and Corrine Olson.

Proof Reading

is the routine job here occupying six staff members. Standing—Colleen Lee Connell, Don Richardson, Joe Macur; seated—Mary Mudge, Margie Ross, and Phyllis Downey.

Each writer checks on type accuracy of his own stories.

New Members

added to the second semester staff are: standing—Jack Letellier and Dick Loffswold; seated —Jim Fribourgh, Lois Petrik, and Duane Fish.

Loffswold and Fish replaced Binger and Jacobs as business manager and advertising solicitor, respectively. Letellier, Fribourgh, and Petrik are reporters.

EAST HIGH CHEMISTS

Front Row—Collins, Norris, Clayton, Nelson, Young, Bern.
Back Row—Saltwell, McCall, Iverson, Couzens, Petrik, Mr. Seubert, Houser.

Hmmm—but it's that good old East High pep and spirit on heat again and we are really sizzling, so look out Central! Parnell Mahoney really sets the sparks off and Vince Aldrich, a neat little captain, showed our team's spunk in his pep talk!

Feb. ??—That hated but by now familiar smell floated thru the halls today! H2S!

Feb.??—Congrats to Mary Wood who married Jim Buresh this morning in Choir in a *lovely* ceremony! Club Editor, E. N., did the Spring Dance! She was still "sunburned" in Annual.

Feb. 24—Artist G. B. arrived in Annual today with an even more battered bean. The story goes that a 3-lb. Crisco can from Skaggs slipped, slid, and landed on the softest place available—Buntley's nogen! G. B.'s thought for the day: "What a mess I'll be when my hair's like my dad's!"

Mar. 3—Paid assembly. Real live lie detectors! Real live victims, too! Not enuf questions.

Mar. 14—Another East-Central game! The ice cream bars were good anyway!

Mar. 17—St. Patrick's Day. Really a "red-letter" day because report cards came out again. Made some more good resolutions, though it's beginning to look hopeless.

March 20—At 6:21 the students, all *three* of them, who hadn't already caught Spring Fever, fell heir to that perennial malady. From now on excuses will have to be *very* authentic!

March 24—Home Music Contest. Two-hour wait to hear Central contestants. Audience suffered—listened to KTRI amplified from Tom Wickstrom's portable.

March 26—Wonder why all visitors to Annual room are surprised to see staff working?

March 31—More movies! Did you hear that sigh of relief when she finished kissing that horrid cobra three times?

April 1—Orchestra played "Happy Birthday" to April fool a "forgetful" Mr. Buntley! Annual edition of the Stock Yards Breeze—annual opportunity to get even with enemies and teachers. (Notice differentiation!)

April 3—More pictures returned from the printer's. Annual Staff can't decide whether to charge more to pay expenses to skip town on Publication Day or to charge more because it's worth it!

April 4—East contestants go to Sub-State Music Contest. Songstress O'Leary brings home first rating! Hmmm . . . Bruiser Buntley, he of the badly dented dome, apparently sprained a wrist yesterday "shaking the furnace."

April 5—More Music Contest. Did East bring home the ratings!!

April 9—Learn finalists for Class Play and Commencement Speakers! (Sniffle, sniffle) PREDICTION: A couple of the finest of fine programs!

April 12—Typing and shorthand teams bring home the highest district honors. This little-publicized but ever-popular department

Members:

Back Row—Adeline Anderson, Caroline Sernstrom, Barbara Waldron, Corrine Olson, Phyllis Downey, Lois Emme.

First Row—Ruth Elliott, Roberta Haltz, Mary Wood, Maureen Holland, Margie Sellon, Helen Whitmer.

There are twelve junior twelfth grade girls in the Snapette Sub-Deb Club. It is one division of the national Sub-Deb Club which is under the direction of Miss Elizabeth Woodward. The emblem which appears on this page is the emblem of all Sub-Deb Clubs of the United States.

The Snapette division of this club is uniformed in red wool skirts and white sweaters. This year the club had a float decorated in club colors in the homecoming parade. The club is represented in almost all of the activities in school: cheerleading, music, Tomahawk, Annual, Orpheon, Masque, G. A. A., Hi-Tri, and others. The club is mainly social and sponsors quite a few parties and dances to which the whole school is invited. It is its purpose to do what it can for the school in return for what the school continually does for it.

really struts its stuff! . . . East's debaters carry off top honors at National Forensic District!! On to Kentucky!

April 18—THE SCHOOL PARTY! Woo! Woo! Beg pardon, I mean, Woo Whirl! All owlers, owlets, and even owlish professors prancing around the owlery enjoying the owling! (Owl! that pun.) Jitterbugs, hep-cats, rug-cutters, and smoothies! Nice music, Darling decorations. A *swell* time!

May 27—First performance of "The Hoosier Schoolmaster." Our first march. Not *too* bad. Music—lights—curtains—LAUGHS!

May 28—All East Highlites at second presentation of Class Play. Ha! Ha! Giggle! Giggle! A keen play and some really fine actors!

June 1—An inspiring Baccalaureate. Even though we are anxious to "get out" we're beginning to feel funny inside and we can't help being "old sober-pusses"!

June 4—Our last day! How we do enjoy it! Showing off in the presence of undergraduates, congratulating one another, and trying to remember every detail. Of course, we're very, *very*, VERY glad to be graduating! (Or at least we're trying hard to be!)

June 6—A fine, inspiring Commencement program, but easier said than done. With our throats fuzzy, and our eyes wet, (in most cases) we leave Dear Old East High—probably forever! Gee! Gosh! Have you got an extra handkerchief? G'bye!

Dear Lord, my homework isn't done;
It isn't even half begun!

Than I desire to know, you see;
I can't absorb it, tho' I try—

EULOGY TO HIM

Ah, you were so handsome,
(And tho' I was not fair,)
You helped me do my Algebra,
And then, (upon a dare,)
You asked me to a picture show
And oh, how quick I "yessed"
Because I had a crush on you,
Though that you'd probably guessed.

We went to all the dances,
Shows and parties galore,
We began to "go" together—
"We'll love forever more!"
But then, yes then, came Johnny!
Ah, he was handsome, too!
I began to like Johnny;
Began to forget about you.

John and I "went steady"
For at least a week or two,
'Til suddenly I realized
A change of heart was due.
I went with Jim, then Frank and Dick,
Then George, and Bill, and Don.
Then Bob, then Fred, then Darrell,
And on and on and on.

Thus, as I write this eulogy,
I know not who it's to——
For like any adolescent,
I am fickle, too!
